RR 2.

Provide an analysis by associate company of claims paid by GERIC during the period on behalf of the associate company to include lead-in and end-of-period insurance reserve balances.

Response 2.

Exhibits A1 and A2 show, by associate company, the claims paid by GERIC (column 5) and the beginning (column 4) and ending (column 6) reserve balances for the Reporting Period.

RR 3.

Provide a listing of increases and decreases to premiums paid by each associate company to GERIC during the period.

Response 3.

Exhibits A1 and A2, column 7, lists the increases and decreases to premiums paid by each associate company to GERIC during the Reporting Period as compared to premiums paid by the associate company for the same reporting period of the prior year.

RR 4.

Provide, for the first three years of GERIC's operations, a statement of actual savings achieved by the System as a result of GERIC's operations during the period.

Response 4.

RR 5.

Provide a copy of GERIC's income statement and balance sheet, including any accompanying notes.
